We recognize that one of our jobs is to help children learn appropriate ways to handle conflicts. We work on this as conflicts arise, helping the children find solutions.

Campers enrolled in our summer program are expected to set and maintain standards of citizenship and courtesy.

Campers are expected to conduct themselves in a manner that is safe and courteous while enjoying all of the privileges of the club. Mutual respect for the rights of other members and adults and also respect for the rights of others' personal property will help provide a safe, orderly and civil environment for everyone.

A child's behavior which infringes on the rights of other members or on personal or Club property will not be tolerated. Children engaging in such behavior should expect consequences for such behavior.

We reserve the right to exclude any camper from the program for a specified period of time or to terminate any camper's enrollment if that child is found to be continuously disruptive to the program.

Verbal or physical harassment of campers or staff by other campers or staff violates individual rights and will not be tolerated.

Deliberate damage to a Camper, Staff or Club property will result in payment by parents/guardians for such damage. Taking the property of another camper or of the Club will be tolerated and treated in a serious manner.

Harassment, Intimidation, and Bullying

BOYS & GIRLS CLUBS OF MERCER COUNTY

The Boys & Girls Clubs of Mercer County prohibits acts of harassment, intimidation, bullying or passive support for those acts. A safe environment is necessary for members to be able to reach their full potential as productive, caring and responsible citizens. Harassment, intimidation, or bullying is conduct that disrupts both a member's ability to learn and the club's ability to educate its members. "Harassment, intimidation, or bullying" means any gesture, written, verbal or physical act, or any electronic communication (phone, computer, etc.), that takes place on Club property, at any Club-sponsored function or on a school bus that is motivated by an actual or perceived characteristic, (race, color, religion, sexual orientation, disability, etc) and has the effect of harming a member or damaging the member's property, or placing a member in reasonable fear of harm or damage to his/her property; or is insulting or demeaning to any member to cause substantial disruption in, interference with, the orderly operation of the Club.

This policy will impose appropriate consequences and remedial actions in response to acts of harassment, intimidation, or bullying and applies to all members, Club employees and volunteers.

Parent Information

We are using Remind, (formerly Remind 101) communication app that helps us to connect quickly and efficiently. We will be using it to inform or remind parents/guardians of things happening, upcoming events/special programs, or other important information/notices for you to be aware of.

In addition, we will also use it to contact you if we are unable to reach you by phone and need you to contact us regarding your child (*ex. your child is sick, notify you of an incident, etc.*) You may receive emails or phone calls depending on what the information may be and timeliness of the matter is.

Parents/guardians have the right to schedule a meeting with the Camp Program Director at any time. If there are any concerns that need to be discussed regarding your child, they should be brought to the immediate attention of the director.

Pick up/Droff Off

Please be careful and slow down when you enter our street as there are children present.

No double parking.

Field Trips

The same rules of conduct required in the Club are expected and enforced on field trips.

A completed permission slip and/or waiver may be required for some field trips.

BOYS & GIRLS CLUBS OF MERCER COUNTY

Emergency Evacuation

In case of an emergency or natural disaster where the building must be evacuated, campers will be escorted out of the building to the nearest safety zone.

Drills

The Club performs monthly emergency drills.

Procedures are outlined for each staff member. For safety reasons, members are expected to follow the staff's instructions, exit the room in a single line, refrain from conversation, use assigned exits and report to the assigned outdoor area.

Custody/Court Orders

Safety and security is our top priorities for every member. As a result, we must make sure to have accurate information relating to parent/guardian custody.

We must be advised of all court orders and/or custody matters involving a child enrolled in the summer program. In the event that a legal document restricts or limits contact with a child enrolled in our program, this document must be furnished to the program.

If your child(ren) is living with one parent who has legal custody and the non-custodial parent is not permitted to contact the child at the Club, or remove the child from the Club, the Membership Office must be provided with custody papers and/or written evidence indicating the same. If these papers are not provided, we cannot refuse access to the child by the non-custodial parent.

Any change in the custodial status must be reported to the Membership Office. Should the stipulations or conditions of any legally binding document change, we must receive a copy of the revised legal document. Without this, we are obligated to comply with the existing documents in our possession.

Child Protection and Permanency (CP&P)

In keeping with New Jersey's child care center licensing requirements, we are obligated to provide you, as the parent/guardian of a child enrolled at our center, with this informational statement. The statement highlights, among other things: limit your right to visit and observe our center at any time without having to secure prior permission; the center's obligation to be licensed and to comply with licensing standards; and the obligation of all citizens to report suspected child abuse/neglect/exploitation to the Child Protection and Permanency, CP&P (*formerly the Division of Youth and Family Services, DYFS*). **That being said the club will have limited in person engagement this summer if COVID 19 protocols are in place. If this is the case we will require parents to make an appointment to enter our buildings for any**

**BOYS & GIRLS CLUBS
OF MERCER COUNTY**

meetings or conferences that are deemed necessary. Parents /Guardian's that enter our buildings will be required to take part in the same health screenings that staff and campers are required to go through each day. If a parent/guardian does not pass the health screening or refuses to take part in the health screening their meeting we be canceled or rescheduled for another date.
