Your sponsorship of this event helps BGC Mercer offset the administrative costs associated with the Teen STEM Conference. It also helps provide scholarships for at-risk teens to attend the conference and assists us in funding STEM programs all year long.

About the BGC Mercer Teen STEM Conference

Location: 1040 Spruce Street, Lawrenceville NJ

Target Ages: 5th – 9th grade students

Target Number of Participants: 200 youth

STEM Knowledge Level: Beginner – intermediate

Geographic Recruitment: All Mercer County schools, open to any teen.

Registration Fee: \$35 per participant (for students that do not qualify for our scholarship)

Goal: To help connect teens to potential careers in the STEM industry, potential mentors post-secondary career pathways and other STEM programs in which they can enroll in while in high school.

If you are interested in becoming a sponsor, please contact David Anderson, President & CEO via email: danderson@bgcmercer.org
